Building & Construction waste [\(change\)](#)

Title: \*

Wanted: Large Cement or stone pavers, or flagstone

Material:

Cement, stone, or flagstone pavers for hardscape

Form:

How is It Packaged?:

Bundled or on palette

Source:

Construction waste, recycled material

Location:

Seattle

Quantity:

Need roughly 200 sq ft.

Loadout / Shipping Requirements:

Will pick up.

Description: \*

Rectangular/sawn or irregular shapes if flagstone, approx. 2-inches thick. If rectangular, then looking for larger pieces. Ideally 2 x 3 ft. or within that range. Am flexible on size or some of one size and some another. Looking to use as part of a hardscape on house landscaping project. Would love to find items that are pre-used and need a new home.

Start the Process by Submitting your materials. It's okay if you don't know the answer to one of the questions. leave it blank. The goal is to provide as much info as you can for another user to review.

Note that this is the URL for your ad should you ever want to link others to it.

This toolbar works very similarly to what you would find in Microsoft Word or other text editing programs. use bold for emphasis, format text. Play around and create a really great ad.

if you have written something in a Word doc, it is helpful to copy from your Word doc, and click one of these two tools. By doing so, you'll paste your new copy there and then "insert" your text into the Admin. This helps get rid of any strange formatting Word may keep
